CUSTOMS SUPPORT IS THE #1 NEUTRAL AND DIGITAL PARTNER FOR CUSTOMS DECLARATIONS IN EUROPE. A FAST-GROWING COMPANY THAT STANDS FOR SMART, FAST AND EFFICIENT DIGITAL CUSTOMS SOLUTIONS.

Over 1000 dedicated customs professionals are working for our clients to make sure their goods can cross borders without hassle or delay. Through our extensive service offering and digital capability, we consistently support our customers in maximising regulatory compliance, achieving operational efficiencies, import duty optimisation, duty planning, and ongoing development for a constantly shifting customs landscape.

In addition to digital brokerage and traditional services, Customs Support Group offers customs consulting and gas measurement services. The company is currently active in The Netherlands, Belgium, Germany, Poland, France, United Kingdom, Ireland, Italy, Switzerland, Ireland, Finland and Sweden.

In Europe, Customs Support Group serves many cross-border clients in several industries such as automotive, food and beverage, and many more. Customs Support is the frontrunner in digital customs and invests substantially in the digitalisation of the customs process.

CUSTOMS SUPPORT WAS FOUNDED IN 1999 AND HAS ESTABLISHED ITSELF AS THE LEADING CUSTOMS BROKER THANKS TO ITS FOCUS ON QUALITY AND INNOVATION.
